

Summer Reading Assignment for Incoming Eighth Graders

Please read at least **THREE** books this summer:

- *The Outsiders* by S.E. Hinton
- a historical fiction book
- a book from a third genre of your choice (fantasy, science fiction, mystery, adventure, biography/autobiography, non-fiction, etc.)

In September you will have several graded assignments based on your summer reading. It will be helpful to keep *brief* notes for each book.

If you read a total of **FIVE** summer reading books, you will be invited to participate in an ice cream party in September.

Happy reading!
