

HAPPY SPRING FROM THE PTO!!

Your PTO has been very busy with many programs at the Morris School. The "Tools For Schools" program did very well this year. We earned enough points to purchase a digital camcorder for the school. A great **BIG thanks** to everyone who signed up and participated at Price Chopper.

We are still collecting Box Tops for Education. The next collection date is May 19th. It is really helpful to us if you put them in bundles of 50. Please be sure that they are within the expiration date or the company will not accept them.

THANKS to all of you who participated in the *Butterbraid Fundraiser* or sent in donations. We earned enough money to sponsor the upcoming Berkshire Theater Festival event. The BTF will be presenting "*Aesop's Network: Broadcasting Theatrical Fables*" on the half day - March 28th. There is one presentation for Kindergarten through grade two and another presentation for grades three to five.

Earlier this month we sponsored a food drive to benefit our local food pantry at the United Methodist Church. Their shelves were greatly restocked by your generous donations and they were very appreciative.

Family skate night was great fun for all who attended. It was great to see everyone from kindergarten through 5th grade, as well as older siblings enjoying a good time together.

Don't miss the upcoming Science Fair on April 11th from 5:30-7:30. We have more participants than ever and it promises to be exciting for all. If your class has not had their PTO sponsored outing yet, be sure to look for flyers with information soon.

Once again, thank you to everyone who volunteers to help with these PTO sponsored events. We couldn't do it without the support of all of you who are willing to give a little of your time. You help to make a difference.
